

Creating Lodgments

The Marine Corps will continue to organize, train, and equip the force with a focus on capabilities required to achieve lodgment conditions and/or seize and secure advanced Naval bases. To enhance our understanding of what these operations entail, we must:

- Coordinate closely with follow-on forces to identify the necessary conditions for establishing future lodgments and the equipment and capabilities required to safeguard and hold them.
- Explore when and how the Combined/Joint force and the Marine Corps could maximize efficiencies in seabasing and lodgment operations.
- Refine our concepts for using the MPSRONS as a “seabased lodgment” to force an adversary to confront both the possibility and the reality of multiple avenues of approach.
